

# ABOUT US

## PURPOSE

The goal of OMSA is to promote youth soccer and teamwork through its annual tournament, local high school scholarships and other soccer donations.

## HISTORY

The Old Mill Soccer Association (OMSA) was formed in 1994 as a non-profit organization sponsoring youth soccer in Will and Kankakee Counties. We began with 12 teams for the age groups of U10, U12 and U14 boys/coed from the founding towns of Beecher, Grant Park, Manteno and Peotone. Later all girls teams were added for U10, U12 and U14. In 2005, U8 teams were invited to participate in a special "Founders Classic" and U8s have been included ever since. 2012 & 2013 included an Adult League consisting of four teams after featuring an exhibition game in 2011. The tournament continues to be improved from our experiences and has grown to 40+ teams with over 550 participants.
